ON THE PITCH!

Kicking Off Week 5!

Fields are buzzing and the season is in full swing. I am sure you have all been noticing the awesome shirts this kids have been sporting during practices. These are the new practice jerseys the region is providing to the kids in the core program! ⚽

I think the kids say "it's drip" 💧 these days. For those of us that may be a little more seasoned in life - they look pretty fly....(if you sang 🎵 the rest of those lyrics, you are my kind of people...lol)! Either way - we are loving the look and hope you are as excited as we are about this opportunity. 😊

REF ROUNDUP

Calling all referees!

Don't forget to sign-up for games through the CGI system. This helps with planing and preparation, especially for the home team coaches who are responsible for finding a ref if someone has not signed up.

If you find that you have additional time and want to score some additional ref points, please stop by the RC tent and sign-up in an open spot or two! 📝

Make sure to sign in for EACH game to get your points. ✅

Also - meal tickets are available at the RC tent for those who do ref on a Saturday. And, let's be honest, the only thing better than a Cuca's burrito is a FREE Cuca's burrito! 🌯

Friendly Reminders:

- Thank you to the teams playing the first and last games for helping with opening and closing the fields!
- Referee points should be available for review next week. Teams planning to participate in fall playoffs (U10 and older) must earn 20 referee points, regardless of win/loss record.
- Practice jerseys are available for pickup this weekend. Each team in all divisions will receive them. Please stop by the RC Tent between 9 a.m.-12 p.m.
- Coaches' shirts ordered by 9/6/25 can also be picked up at the RC Tent between 9 a.m.-12 p.m. The third order is expected next week. Please note: pick up the size you ordered, as there are no extras available for exchanges.
- Thank you for your patience and understanding with the recent field relocations to accommodate weekday U16 games. Your flexibility is greatly appreciated!
